FLY-PRODUCING CONDITIONS

Section:

6.16.010 Conditions prohibited.

Section 6.16.010 Conditions prohibited.

No person shall suffer, permit or have upon his premises, whether owned or leased by him, any one or more of the following fly-producing conditions:

1. Animal manure, in any quantity, which is of a type or which is spread, used, maintained or allowed to become damp or saturated in such a manner as to cause or tend to cause fly breeding, unless protected or treated in a manner acceptable to the Health Officer of the City;
2. Privies, vaults, cesspools, pits, or like places which are not securely protected from flies;
3. Garbage which is not securely protected from flies;
4. Trash, litter, rags, or anything whatsoever in which flies may breed or multiply. (Prior code § 21-.19-1)
